Company Description

CBI Laboratories has long been a recognized custom manufacturer of innovative skin care, bath and body products, hair care products and topical OTC pharmaceuticals for some of the most prestigious brands in the industry.

Founded in 1982, CBI Laboratories, Inc has earned a reputation as technology-driven, dependable and a trustworthy manufacturer of professional private label skin and body care products. As a forerunner of research and development trends in the professional skin care and spa industries for over 27 years, CBI has paved the way with use of botanical and herbal extracts, advanced antioxidant, peptides and other unique, novel ingredients.

CBI is a complete turnkey custom and private label manufacturer offering research and development, creative packaging options, quality and detailed logistical execution.
